

Mark of the beast
The mark of the beast is not what you think:
Trump, QAnon, Saint Germain and Covid-19

17. März 2020

We must speak about the mark of the beast. There are countless ideas and opinions about what exactly the mark is, but this is my opinion and I stand behind it.

It is crucial to be vigilant now, during the fear of the Covid-19 and beyond. The statistics cannot justify the worldwide lockdown we are currently in.

In this article I will show you exactly how I came to a certain insight into the ominous mark of the beast and how it is related to our current global events.

(Disclaimer: The mark of the beast is not an RFID chip implant)

But keep reading.

Revelation 13 and 14

To provide a basis for our discussion, the Bible describes the mark of the beast in Revelation 13:16-18 (SUN) as follows

¹⁶ And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: ¹⁷ And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

¹⁸ Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

Remember that in the Scriptures your right hand symbolizes your works and deeds and your forehead symbolizes your thoughts and will. You may think that I want to say that: the one referred to in Scripture is an individual called Antichrist, isn't he?

That is not the case. It goes much deeper than that.

The unfortunate end game for those who choose (I say "choose" consciously, not "be forced") to bear the mark of the beast is described in Revelation 14:9-11

(KJV) described in detail:

⁹ And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, ¹⁰ The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: ¹¹ And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

But how do we know when the mark of the beast will be presented to us? How can we prevent ourselves and our loved ones from accepting it?

Is it already there?

The official brevity of the Bible translation is given in brackets.

The mark of the beast does not come from an individual called Antichrist; it is a system. In Revelation 13, it is very clear who gives the mark. It is not a person called Antichrist. Revelation 13 also makes it clear that two different forces are at work in the end times: the first beast and the second beast. The first beast, also called the beast from the sea, is the one that is associated with the antichristian system. This is the system under which we have lived for centuries. It is the all too familiar system of oppression, fear, guilt and slavery. But it is not this beast that gives the sign. It is the second beast, the beast from the earth, the system of the false prophet, also called "the Alliance", which introduces the sign. This beast is a system that symbolizes hope, wealth and power for human beings. When we return to verse 11 in Revelation 13 (KJV), it becomes much clearer that a second beast, which is like a lamb, will appear in the end times:

¹¹ And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.

How the first beast lied to us about the sign

The idea that the mark of the beast is some kind of dubious form of technology that records your every move better than an iPhone or a FitBit, or that allows you to pay without cash, better than Apple Pay or any credit/debit card, or that has new facial recognition software (as is already the case in China and some U.S. cities) and is awarded by the Antichrist, is a non-biblical idea of the Jesuits, made popular by the media controlled by the first beast.

But it simply does not correspond to the truth. An example of how we have learned to accept the idea that the mark of the beast comes from a person called Antichrist can be found in the eighth season of the popular television series American Horror Story. In this series, a particular character is portrayed as the Antichrist coming to power. In one scene, the character even quotes Revelation 13:1 (ST), but not literally:

¹ And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

The authors of the series want people to think that this verse refers to a single person, and that this person is the beast from the sea; the first beast; the Antichrist. In American Horror Story, this deceptive character even has a suspicious 666 scar behind one of his ears. This is completely inaccurate and only reinforces the lie.

This is just one example of the misinformation that Christians and non-Christians alike believe in. In fact, Revelation 13:1 teaches us that the first beast is the antichristian system, the spirit of Belial and his many armies.

The idea that there is an individual Antichrist is the most popular idea that is spread around the world. But what is popular does not correspond to what is biblically true. It is only what the first beast wants us to believe.

The two Beasts

The two beasts in Revelation are conglomerations of two separate and distinct Luciferian agendas. Black magic describes these agendas as right or left ways. Light and dark, bad and evil, Note that I did not say "good and evil". To those who believe that a single man comes into power and somehow desecrates a temple, claims to be God and is worshiped by the whole world, I would like to ask a question: How could a single man overcome the first beast, the deep state, the cabal and the elite who have almost complete control over all current forms of government, media and religion? How could one man, no matter how powerful, overcome them all and rule the world like God? One person cannot. It would take an army of principalities and powers to pursue a worldwide agenda on this massive scale. It takes a great "left versus right" deception.

To divert us from the path of truth, the agenda has convinced us that we are the problem. We are dividing ourselves in every way and fighting against each other. This prevents us from learning the truth about who actually rules us and what their ultimate goal is.

The next purpose is to blind us so that we don't realize when the second agenda is about to start. The second agenda is when we face the mark of the beast.

The first agenda has already been defeated by the second agenda, although it is always clearly visible. But in order to fully understand how events will unfold, we must look at how the first Agenda has gained dominion over the people of the world.

The Federal Reserve Banking System

All money in the USA is controlled by a private central bank called The Federal Reserve. Mayer Amschel Rothschild (1744-1812), godfather of the Rothschild banking cartel in Europe, was quoted as saying

"Give me control of a nation's money, and I don't care who makes the laws."

For the world's elites, the path to complete control was not easy. In fact, it has been driven forward for thousands of years.

If you study the history of central banks and the Federal Reserve system, you will see what a long road it was for the first beast to gain total control over us through fraudulent banking practices, debt, and a system that tempts us to fail and slavery. Whole books have been written on this subject.

But now we have reached the final stage, overcoming the transition from the first to the second beast and gaining complete and total control over the second beast.

The second beast will not rule through the central banks, but rather destroy them.

But the question arises: Can a single man, who is still to come, achieve this alone?

Can he be worse or more evil than the system of the first beast that ruled the world through its banking cartel?

- The blood of human trafficking?
- The drug trade?
- Satanic ritual abuse?
- Pagan idolatry?

- Child sacrifice?
- Slavery?
- The strategic rejection of truth?

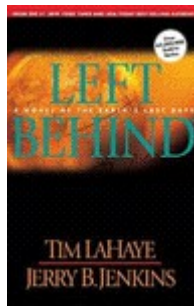

All these activities have been taking place secretly under our noses for hundreds of years, while we struggle to survive in our daily lives.

The first beast, the cabal, is anti-Christian in the truest sense of the word. It obeys the rules and laws of the Babylonian Talmud, the most anti-Christian book there is. It teaches them that you and your loved ones are nothing but cattle [goyim] for their use.

Could a person, then, somehow be more blasphemous than the present world we already live in? Is a human being really the second beast? Or is it much more than that?

It is time to open our eyes to the real world in which we live.

The Rapture

Another reason why people believe that the Antichrist is a man is the popular book series Left Behind, written by the well-known Mason Tim LaHaye.

This book series also made the idea of a rapture popular. However, the rapture doctrine in these books strongly distorts what the Bible really says. This is a vast subject that I must cover in another article. But for now, I would just like to say that when your theology or end-time beliefs come from the hand of Tim LaHaye, you also get news from Anderson Cooper or Rachel Maddow at face value.

RFID Chip Implants

You have probably noticed that whenever someone mentions that they are getting an RFID chip, people start shouting "The mark of the beast!"

But putting the term "Sign of the Beast" in the context of RFID chip implants completely devalues the MASSIVE and global event that will be the true sign.

The true sign will be based on biblical truth and actual historical events leading to a worldwide quantum currency conversion (The Great Reset).

Usually people conjure up fantastic ideas that one day the whole world will be turned upside down and everyone will immediately know that the end has come. This is exactly what the enemy wants us to believe. But we don't live in the films the enemy has shown us.

Remember: 2000 years ago almost everyone missed the first coming of Yeshua (Jesus) because they were all looking for a king; someone they thought worthy to be the Messiah.

Just like then, the search for a sign with 666 written on it in some sen-sational RFID technology is not rooted in reality today, even if the idea fits our ideas.

Moreover, an RFID implant is a technology that could possibly be forced upon you. But the sign of the beast is freely chosen by each individual and not forced upon him.

The Rules of the Cabal

Lucifer and his armies must abide by certain rules. This is very important.

The rules are a body of spiritual principles that they must follow in order to exist. If they do not strictly follow these benevolent spiritual principles and forces, they cannot achieve their goals. In other words: If we do not give them our permission, they cannot achieve what they set out to do. The rules are universal laws that cannot be anticipated, avoided or circumvented. Malevolent forces or fallen angels and disembodied spirits of Nephilim (or "demons") cannot do anything without our permission or outside of biblical prophecy.

This is precisely why prophecy is so subjective. If a prophecy contains too many details instead of resembling parables that can be interpreted at the right time, the evil forces must fulfill the prophecies in a certain way. This would indicate a deterministic God. But this could not be further from the truth. Think of prophecy as a hurricane spaghetti model. Certain paths melt together at certain times. In prophecy, these alignments are based on the decisions we make as a people, which are determined by the princes-

The work must be presented to the powers of the air and carried out by the evil people who hold positions of high power. But the final decisions remain with us.

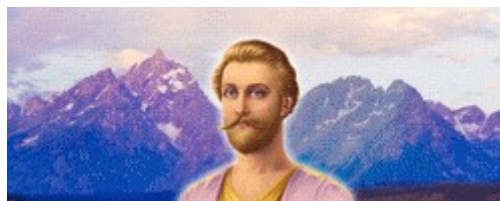

The idea that a global RFID chip will be forcibly implanted in every single person does not follow the laws that the dark cabal must abide by

But let's assume that this would happen for some reason. What system would the RFID chip run through? How could it differ from the current system?

- IP address?
- cell phone?
- bank account?

How exactly would it be possible to connect all people in all places? If you keep spinning the issue this way, you realize that such a chip is superfluous. Instead, something revolutionary has to happen that has never been discovered or understood until the right time. Something like a new quantum financial system. So here we go.

NESARA, GESARA and Saint Germain

NESARA began with Saint Germain. This event has been an important part of the entire human history in progress.

Saint Germain is one of the key figures in the New Age belief system and is said to be an ascended master. But his spirit is ancient. He goes far beyond what we know as the people of Saint Germain.

A better description of him is the fallen angel known as Lucifer, also called Gadreel. The Book of Enoch refers to Gadreel and calls him the angel who seduced Eve in the Garden of Eden.

It is documented that in 1729 St. Germain participated in the foundation and financing of a new world currency trust. The Saint Germain World Trust now contains most of the wealth that will be distributed to the world after the new financial return.

Today, the wealth program of the Saint Germain World Trust is known as NESARA and GESARA.

NESARA stands for National Economic Security and Reformation Act. It applies only to the United States. While GESARA, the Global Economic Security and Reformation Act, applies to the rest of the world. For centuries, elite families who "follow the light" (or the agenda of the second beast, the beast of earth) have contributed to this world fund. St. Germain has explicitly declared that the money in his world fund will be used for prosperity and humanitarian purposes in the future. Now, after the rich and the elite of the followers of light have contributed and paid interest for more than 250 years, Saint Germain's world fund amounts to more than a quattuordezilion of dollars. That is a one with 45 zeros behind it.

It looks like this:

1,000,000,000,000,000,000,000,00,000,000,000,000,000.

It is important to note that the United States was nothing more than the freemasonry experiment of Saint Germain. The reason that there is a program specifically for the United States and a separate worldwide program is that the United States largely determines what happens in the rest of the world.

This was the plan of Saint Germain from the beginning. The World Fund will be launched in the United States under the name NESARA and will be the first country to distribute the wealth funds.

I will report about Saint Germain in more detail in another article. There is a lot to say about this.

Drain the Swamp; the System of the False Prophets

Dr. Harvey Francis Barnard, a Louisiana graduate in Systems Philosophy and a technical consultant and teacher, created the NESARA proposal in the late 1980s and early 1990s. He printed 1,000 copies of his proposal entitled "Draining the Swamp: Monetary and Fiscal Policy Reform (1996)" and sent copies to all members of Congress, believing that the proposal would be implemented quickly.

Yes, "Draining the Swamp". Does that sound familiar? Although the official reports claim that the proposal ground to a halt before it could even gain ground, the truth is quite different. It is rumored that NESARA was secretly passed by the US Congress on March 9, 2000. The military forced Bill Clinton to sign the bill under threat. yes, the military. Those who are behind the entire worldwide Q Anon movement and are part of the second beast system. They actually forced Clinton, a dark cabalist who is part of the first beast system, to put NESARA into law.

GESARA is part of the Paris Agreement, which came into force in 2015. We recall that Trump removed the USA from the Paris Agreement in 2019. The reason was simple: the USA is not part of GESARA. They have NESARA, the version that is specific to the United States. The move had nothing to do with climate change. As a program, NESARA can be viewed from different perspectives. The New Age movement claims the following about NESARA:

"A spiritually oriented financial program that can be traced back to Saint Germain. It was designed to provide the world with a new economic system during the transition period".

The transition they mention is taking place right now, with Donald Trump, the White Hats and Q Anon eliminating the cabal or deep state and "draining the swamp".

The power shifts from the dark cabal or the antichristian system to the alliance or the system of false prophets; from the first beast to the second beast, as we explained earlier. Or, as QAnon likes to say, "from darkness to light".

This is, however, a false light that pretends to be the real one. To promise humanity a glorious future after the cabal is crushed is a false future.

Entering the New Age

The New Age says that the present time is the transition from the Age of Pisces to the Age of Aquarius. Saint Germain says that he is the teacher of the Age of Aquarius. Unfortunately, after this financial reset, he will never get his own thousand-year reign. Why? Because he is Lucifer and this is the sign; literally the last prophecy before Jesus' return.

The World Fund should be distributed to the world at the beginning of what St. Germain called the second millennium of Christianity, or the year 2000. But as the year 2000 approached, it became clear that the dark cabal that rules the world was not yet allowing this to happen. Moreover, many biblical prophecies had not yet been fulfilled.

Next NESARA was to be announced on September 11, 2001 at 10am EST. Do you remember what happened then?

The cabals destroyed the World Trade Center to prevent this. The gold covering the economic currency of the new alliance was stored in the towers of the World Trade Center and stolen by the cabals.

Could the gold now be stored in the Global Seed Vault in Svalbard? We don't know for sure, but the Global Seed Vault is kept under lock and key and guarded with weapons like no other place in the world.

September 11th was a perfect example of the fact that the hand of biblical prophecy simply cannot be moved by force. When we were in the end times in 2001, the seven-year tribulation had not yet begun.

More prophecies had to come true. As a collective, humanity had to agree after certain spiritual trials that were imposed on us by the principalities.

The "hurricane spaghetti model" of possible outcomes was too vague about what mankind would agree to spiritually. Today, however, we see a record number of people who proclaim spirituality while rejecting Jesus as Savior.

The verse in 2 Timothy 3:5 (NEU) addresses just that:

⁵Having a form of godliness, but denying the power thereof: from such turn away.

From Dark to Light

The faction behind NESARA and GESARA sees itself as a representative of the light; of the system that opposes the cabal. But, remember how we discussed that it is not "bad against good" but "bad against evil"?

Just because the system of false prophets brings down the system of Antichrist, it does not make the system of false prophets good; although it will certainly sound that way when it is presented to us. These people are now working directly with Donald Trump to create the new worldwide quantum financial system. Most of the people working to defeat the cabals and end "the Fed" (Federal Reserve Banking System) are in the U.S. military. Since NESARA failed in 2001, they decided not to inform the people until the dark cabalists were freed from power. That is exactly what Trump and QAnon are doing now, along with the support of other alliance countries such as Russia and China. There are many others. The events now correspond to biblical prophecy. Furthermore, many claim in the New Age that the present incarnation of Saint Germain is in reality Donald Trump. The time will soon be ripe for the release of the prosperity funds from the Saint Germain World Fund. Why? Because those who controlled the current monetary system of the Central Bank are simply no longer in control.

What NESARA will do for the USA and the World

Now take a deep breath. Remember how the amount of money in the Saint Germain global fund reached a number of 1 and 45 zeros?

The NESARA funds are first used to buy up all the oil companies, banks and pharmaceutical cartels and to pay off all debts. Once all these funds have been paid out, the remaining funds will be distributed to the population. They plan the following measures for each citizen who signs a personal contract with the new alliance:

- Remission of all mortgages, bank and credit card debts due to the illegal banking and governmental activities of the cabal.
- Elimination of the Federal Reserve System
- Abolish income taxes
- Abolition of the IRS
- Creation of flat-rate, non-essential "only new items" sales tax revenues To finance the new government
- Drastic increase in benefits for senior citizens
- Return of true constitutional law to all citizens and courts
Introduction of new presidential and congressional elections within 120 days of NESARA's announcement
- Creation of a new US financial currency, the "rainbow currency" - one backed by gold, silver, platinum and other precious metals
- End of the 1933 Franklin D. Roosevelt's bankruptcy of the United States
Stop all interest groups
- Monitoring the validity of elections
- Establishment of World Peace - US troops will be brought home from all over the world when peace is declared; in accordance with the Constitution, there will be no standing armies, and this will be constantly monitored
- Release of huge sums of money for humanitarian purposes
- Enabling the release of thousands of suppressed technologies currently withheld from the public under the guise of national security - including free energy devices, atigravity devices and sound healing machines (6,000 technologies will be released initially, followed by the release of more than 60,000)
- Initiation of the first phase of the global distribution of huge wealth accumulated over hundreds of years

NESARA and GESARA will create an entirely new system of global currencies that is completely transparent, backed by gold, not governed by bankers and based on the Blockchain System, an unassailable, register-driven record of every transaction ever made. This system provides full transparency and privacy and is 100% traceable. But remember, block chain is not just for money. It also helps to prevent election fraud and all illegal activities on the Dark Web, and much more.

Even if the USA was already on the gold standard before Richard Nixon freed them from it in 1971, it will be completely different this time. Nixon took the USA out of the gold standard in order to incur debt and make the Federal Reserve Bank more powerful.

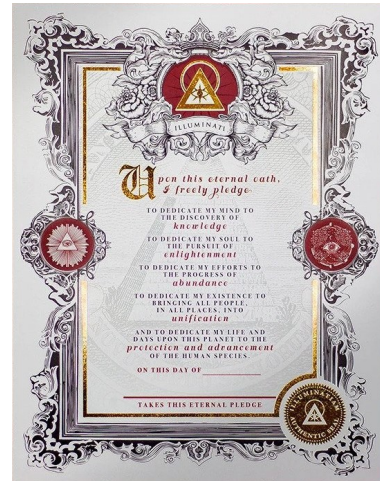

But the new gold does not come from the Federal Reserve or the central banking system of another country. Rather it will come from the World Trust of Saint Germain.

This is absolutely unprecedented in world history.

The Eternal Oath

Before we, the people, can accept these funds, each individual must commit to using these funds for humanitarian purposes. Or make some kind of large-scale "oath to humanity".

It is not surprising that there is already a draft for this. It reads as follows:

Upon this eternal oath, I freely pledge:

- To dedicate my mind to the discovery of knowledge
- To dedicate my soul to the pursuit of enlightenment
- To dedicate my efforts to the progress of abundance
- To dedicate my existence to bringing all people, in all places, into unification
- And to dedicate my life and days upon this planet to protection and advancement of the human species

On this day of _____

Takes the eternal pledge

To swear an eternal oath doesn't sound so bad, does it? Especially for the good of mankind?

James 5:12 (KJV) is of a completely different opinion:

¹² *But above all things, my brethren, swear not, neither by heaven, neither by the earth, neither by any other oath: but let your yea be yea; and your nay, nay; lest ye fall into condemnation.*

Matthew 5:34-35 (KJV) says the same:

³⁴ But I say unto you, Swear not at all; neither by heaven; for it is God's throne: ³⁵ Nor by the earth; for it is his footstool: neither by Jerusalem; for it is the city of the great King..

The people of the United States are most at risk when they sign this oath and accept these funds, which is the mark of the beast. Those in the United States will be the first and probably will not realize that within a few days or weeks after they accept, the whole world will be based on the same system.

All banks around the world will be forced to announce the new quantum financial system GESARA just a few days after NESARA's official announcement.

The Jubilee Year and the Deception of the Chosen

This whole idea is based on the Hebrew Jubilee, in which all debts are cancelled. But why do you think everything connected with this global financial provision, the mark of the beast, is based on biblical terms?

In Matthew 6:12 it says for example (KJV);

¹² And forgive us our debts, as we forgive our debtors.

It is almost as if they try to deceive the elect themselves; which they certainly do.

There will be a reprieve period in the US, during which the current Federal Reserve bills will continue to be accepted and then withdrawn from circulation. But after that time, only the new currency will be accepted. In other words, you will not be able to buy or sell without them, as Revelation 13:17 (KJV) states:

¹⁷ And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

The reason why the gold-covered currency is so important for the Alianz is the biblical King Solomon, who according to the New Age faith of Lucifer was one of the earlier incarnations of Saint Germain.

King Solomon was one of the world's leading alchemists and occultists and was led by none other than Lucifer himself. He was also the richest man who ever lived. Biblically, King Solomon and his spiritual New Age heritage are the number 666.

Revelation 13:18 (LT) states:

¹⁸ Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

And in 1 Kings 10:14 (SL1) we read:

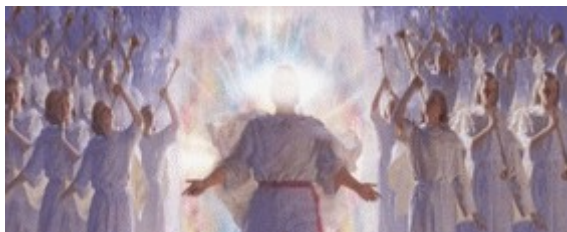

¹⁴ Now the weight of gold that came to Solomon in one year was six hundred threescore and six talents of gold.

God has given us all the information we need to decipher the Bible, between its covers. In other words, the Bible itself contains cross-references to show the absolute truth.

With a little study and research, the parallels and warnings about Solomon and the spiritual line that lead to St. Germain, Donald Trump and 666 can be found in other places in the Bible, e.g. in 2 Chronicles 9:13.

God does not repeat himself without reason. We must heed His clear warning.

The Second Coming of Christ

If you believe that this is the mark of the beast, then you must also believe that Jesus can return at any time. We are at the end of the tribulation and are waiting for the last prophecy is fulfilled Although no one can say exactly when Jesus will return, it seems likely that we will experience this before the grace period between currencies expires.

Remember, Jesus said that no one knows the day or hour of his return. He did not say that we would not know the general time frame of the return,

Don't be scared. Do not give in to peer pressure. Don't buy the hype from them. There will be public disgrace and probably financial difficulties if you decide to refuse the mark of the beast. There will be an overwhelming group mentality of acceptance, nourished by love for material things. We could easily be led astray and think that this is a very good thing. It will be presented as something you want or need to have; you would be a fool not to accept it.

I mean seriously: Who would not want to be free of all earthly debts and outrageously rich - to live in a utopia? That is exactly the way we have been conditioned to want to act in this world.

But in Matthew 6:24 (KJV) it says:

²⁴ No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

Always remember that none of the "stuff" here on earth has an eternal value, as already stated in Matthew 6:19,21 (KJV):

¹⁹ Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: ²⁰ But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: ²¹ For where your treasure is, there will your heart be also.

The last test; the last countdown

Who do you trust? Do you trust the fear that the world is pressing down your throat? Will you trust the NESARA solution when it is presented to solve all the world's problems? Mark 10:24 (KJV) says:

²⁴ And the disciples were astonished at his words. But Jesus answereth again, and saith unto them, Children, how hard is it for them that trust in riches to enter into the kingdom of God!

God is not the god of this material world. The mark of the beast is what will separate you eternally from God, for God does not promise you earthly riches and material wealth. Rather, he is in direct opposition to it. It is your heart that shows God who your loyalty is.

Are you directed to Him or do you love the things of this world? If you are forced to make the decision to bear the mark of the beast that will seal your eternal destiny, what choice will you make?

Jesus was faced with the same decision; now it is your turn

When you make your decision, remember that Jesus was subject to the same temptation by Lucifer when he walked the earth. Lucifer offered him all the kingdoms of the world if he would swear an oath to him.

Matthew 4:9 (KJV):

⁹ And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.

But in the next verse Jesus replied:

¹⁰ Then saith Jesus unto him, "Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve".

We will all be presented with exactly the same proposal. It may come during the Coronavirus Covid 19 anxiety, or it may come a little later, only time will tell.

But if that happens, will you answer like your neighbor? Or will you answer as Jesus did?

2 Timothy 1:7 (KJV):

⁷ For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.
